Volunteer hours earned may be transferred to another family member.
3. **Competitors are NO LONGER required to attend a DDA meeting to be eligible for year-end awards.**

6. **In the event a competitor submits a test on which the score is only calculated to the second decimal point, the Awards Chair will re-calculate the score to the third decimal point.** Competitors should be aware that USEF rules require that all scores submitted from recognized shows be calculated to the third decimal point and that tests that do not show that information may not have been properly submitted to the USEF.
